

## Obituary for Alaina Gunn

Alaina Elizabeth Gunn, born in Plano, Texas on October 12, 2001, was killed in a tragic accident involving a drunk driver on April 24, 2019. She was to graduate from Centennial High School in June 2020, and had plans to attend the University of Central Oklahoma to study Forensic Science and Dance after graduation. She is survived by parents Andy and Heather Gunn, brother Ian Gunn, sister Allison Gunn, grandparents Al and Carma Allison, Gary and Annie Gunn, and several aunts, uncles and cousins.

Alaina loved her family, musicals, reading and dance. She loved escape rooms and successfully escaped with family and friends over 30 times in the last several years. Alaina had an amazing ability to be happy for other people and encourage them in their successes.

She brought joy to her family, friends and others through her love and performance of dance. She studied dance for 15 years, dancing both competitively and as a part of the Frisco Ballet during that time. Ever since Alaina attended her first Sweetheart Mini Clinic as a 5-year-old, she wanted to be a Sweetheart. Being on the team was one of the greatest joys of her life. She was proud of her teammates and was thrilled when she was named as a dance officer for her Junior year.

Alaina had dreams serving others as a Crime Scene investigator and teaching dance.

A memorial service will be held at Centennial High School on Thursday, April 25, 2019. In lieu of flowers, donations may be made to the Dizzy Feat Foundation.
