

Obituary for Caitlyn Elizabeth Morrow

Caitlyn Elizabeth Morrow, born in Plano, TX on October 12, 2001, was killed in a tragic accident involving a drunk driver on April 24th, 2019. She was to graduate from Centennial next June 2020 and had plans of going to college in California after graduation. She is survived by her parents Elizabeth and Mark and brothers Jacob, Marcus, Luke and Nicholas. Aunt Rosie Morrow, Uncle Mike & Aunt MaryJo Morrow, Aunt & Uncle Melissa and John Carpenter, cousins, Cash and Jack, Grandmother Belinda Ruggeri and Grandfather, Tom Ruggeri.

Caitlyn comes from a large and crazy family, if you know the Morrow's, then you know. Caitlyn was the only girl sandwiched between 4 brothers, this made her feisty and strong. She was full of energy, bubbly, goofy and sweet. She always thought she got the short end of the stick being in the middle, but down deep, I know she loved having them around. Her brothers have come to love the way she has matured and handled herself with friends and her successes at school. Although Caitlyn was well liked by many and will be greatly missed, it will be hardest on her best friends, Ham and Jam. Like most teenage girls, they loved working out, eating, shopping, listening to music, hanging out with the "Guy's" and chilling together. These three had each other's back, they have stuck together through thick and thin and their bond will never be broken.

Caitlyn was a hard worker, if she wanted something, she worked extra hours to make it happen. I know her co-workers and regular customers at Grub Burger bar will miss her fun spirit and great attitude. She often worked events for her dad's catering company to make extra cash and didn't mind bringing her friends along to help.

Caitlyn was not afraid to try anything, no matter what others thought. When she went out for the bowling team, she was all in and only thought about how it would look good on her resume, anything to help her get into a good college! We were so proud of her when she made The National Honor Society and Student Council and to top it off, she just made Varsity Cheer for her Senior year. She was so excited and proud of herself, she was able to see how the hard work paid off.

A memorial service will be held at Centennial Highschool on Thursday, April 25th. In lieu of flowers, donations may be made to Mother's Against Drunk Driving MADD.
