

Hayden Smith

With deepest sorrow, we announce that Hayden Smith, our beloved son, brother, family member and friend was killed in a tragic accident involving a drunk driver on Wednesday, April 24, 2019.

Hayden was born in Plano Texas and had just celebrated his 17th birthday with his friends and family. Hayden would have graduated next year and planned to attend Texas Tech University to study Environmental Engineering.

Hayden loved animals. Growing up he had a dog named Molly that was by his side for 16 years before he had to let her go recently. It was the hardest thing he's ever had to do.

Hayden had so much more life to live but it all ended so abruptly and way too soon. He will never have the opportunity to see his dreams come true.

Hayden will always be remembered for his gentle nature and kindness towards others. Those who knew Hayden, even just a little, lost a shining light in their lives. Hayden brightened the world around him and positively impacted so many people's lives in ways he did not even know. Hayden made the world a better place and his memory will live on through all of those who had the privilege of knowing him.

Hayden will be missed everyday by his mother and step father, Tricia and Trey Freels, father Joshua Smith, brother Zachary Smith, and step brother Kam Freels, grandparents John and Barbara Davis, and his loving Aunts, Uncles, Cousins and many, many great friends and family.

A memorial service will be held at Centennial High School on Saturday, April 27, 2019. In lieu of flowers, donations may be made to the SPCA.
